SPAY/NEUTER SURGERY WAIVER AND RELEASE

I am over the age of 18 and the lawful owner (or the owner's authorized representative) of the animal described on the front of this form. I am delivering this animal to Precision Veterinary for certain medical treatment as follows:

SPAY/NEUTER SURGERY AND/OR VACCINATIONS

I agree to be bound by the following terms and conditions:

1. Authorization for Procedure. To the best of my knowledge, my animal is in good health and is able to undergo the medical procedure. I hereby authorize Precision Veterinary to receive, treat, prescribe, transport, care for and house my animal and to perform such anesthetic, medical, surgical and therapeutic procedures as indicated above.

2. Acknowledgement of Risks. I understand that, as with any instance in which my animal is outside the home, my animal may be exposed to other animals that have not been appropriately vaccinated or that have been exposed to contagions and illnesses. I also understand that local and/or general anesthesia will be administered to my animal and a medical procedure will be performed on my animal; this involves uncertainty and risks to my animal. I understand and acknowledge this information and I assume all risks associated with the anesthesia and medical procedure, including any adverse effects, illness or death of my animal. If my animal is receiving a spay/neuter procedure, I understand that the animal may receive a small tattoo on his/her underside to show that he/she has been sterilized. I understand that a brief pre-surgical exam (or visual exam of fractious animals) will be performed, and I also understand that the attending veterinarian performing the medical procedure has the right to decline to perform any procedure on any animal for any reason. I understand the animal will not receive pre-op bloodwork or IV catheterization/fluids. If I choose for the animal to have such bloodwork done, I understand it must be performed at a full-service veterinary clinic. If, in the course of treatment or during the procedure, the animal is found to be pregnant, the pregnancy will automatically be terminated. If any other condition is discovered that requires medical attention or an additional procedure(s), we will call the owner or authorized representative at the phone listed on this form. If we are unable to reach the owner or authorized representative in a timely manner, the attending veterinarian may in his/her absolute and sole discretion, perform such procedure(s) without seeking additional authorization or consent from the owner or authorized representative. I consent to any such additional procedure(s) and agree to take full responsibility, financial and otherwise, if my animal becomes ill.

3. Post-Procedure. I agree to contact my own veterinarian with any questions that arise following the medical procedure about my animal's health related or unrelated to the medical procedure. I agree to follow the Post-Surgical Home Care Instructions or any other instructions received by me from Precision Veterinary. If I suspect that my animal has a postoperative complication caused directly by the procedure, it is my responsibility to seek veterinary care in an appropriate and timely fashion, and will bear financial responsibility for any expenses incurred.

4. Animal Pickup. I understand that all animals shall be picked up from the clinic by me, or by someone authorized on my behalf, at the time designated by the clinic staff, on the same day as procedures or vaccinations are performed, unless otherwise arranged in advance. If my animal is not picked up at the designated time on that day, I understand that I am incurring an unplanned boarding penalty of \$25 per night for cats and \$30 per night for dogs.

Should my animal remain unclaimed for 10 or more days, it may be considered abandoned by me and sole-custody will be relinquished to a local rescue or sheltering agency per Wisconsin State Law. At this time Precision Veterinary will cease to hold legal responsibility for the care and wellbeing of your animal and all further decisions regarding its disposition will be made at the sole discretion of the aforementioned agency. If the animal is returned to me, I agree to pay any and all fees and related costs, including, without limitation, any costs to medicate or otherwise provide for the animal.

5. General Release and Waiver. I understand that Precision Veterinary will rely on my representations made in this agreement. I know that this is a legal document and I promise that to the best of my knowledge everything that I have said is true. No one has forced me to sign this document. I am willing to sign this waiver and release agreement because Precision Veterinary will provide the spay or neuter, vaccination, and/or other medical services as I requested. I am consenting to the medical procedures being performed on my animal and all related activities of any kind and acknowledge that I understand that all risk, whether known or unknown, is expressly assumed by me and all claims, whether known or unknown, are expressly waived in advance. On behalf of myself, my heirs, personal representatives and assignees, I hereby release, discharge, indemnify and hold harmless, Precision Veterinary and its directors, officers, employees, volunteers and agents from any claims, causes of action and demands of any nature, whether known or unknown, arising out of or in connection with the medical procedure performed on the animals and all related activities of any kind including without limitation other treatment and care given to the animals or the housing of the animals. By signing this Waiver and Release Agreement, I am consenting to the medical procedures being performed on my animal and all related activities of any kind and acknowledge that I understand that all risk, whether known or unknown, is expressly assumed by me and all claims, whether known or unknown, are expressly waived in advance.

I also understand and agree to permit Precision Veterinary to use my name and pictures of me and/or my animal for publicity or promotional purposes without liability or obligation to me.
