

## Must Have Mobile Apps for Real Estate Agents

### OR Toolkit for iOS & Android - Free

ORT's powerful smart phone/tablet app gives real estate professionals access to net sheets, title and escrow fees, closing costs, provides instant information on who pays for what fees in each county, and lets you find an escrow office closest to your location.

### OR Touch for iOS & Android - Free

This powerful smart-phone application gives real estate professionals instant access to title profiles: property ownership and characteristics, title transfer and default information as well as comparable sales.

### DropBox for iOS & Android - Free

Securely store, manage and share all your files, photos and documents with 10GB of free cloud storage from Box. Box for iPhone and iPad helps you get your work done on the go.

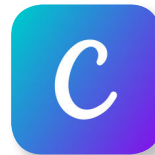

### PDFExpert for iOS - Free with In-App Purchase

PDF Expert is an essential app for anyone who reads, highlights, signs and fills out PDFs on the go. With an additional in-app purchase, get the unique superpower to edit existing PDF text, replace images and hide sensitive data. Try Xodo PDF Reader & Editor for Android! - Free

### Word for iOS & Android - Free

Now Word documents look better than ever on your tablet and phone. When you edit or create documents, you can be confident they will look exactly how you want across PC, Mac, tablet and phone. Word has the familiar Office look and feel along with an intuitive touch experience.

### Canva for iOS & Android - Free

Canva makes design amazingly simple (and fun)! Create stunning designs with your photos and videos—even if you're not a design expert!

### Excel for iOS & Android - Free

The powerful Excel spreadsheet app lets you create, view, edit, and share your files quickly and easily. Send, view and edit workbooks attached to email messages from your phone with this powerful spreadsheet app from Microsoft.

### GeniusScan for iOS & Android - Free with In-App Purchases

Genius Scan is a scanner in your pocket. It enables you to quickly scan documents on the go and email the scans as JPEG or PDF with multiple pages.

### Powerpoint for iOS & Android

The PowerPoint app gives you access to the familiar slideshow maker tool you already know. Create, edit, view, present, or share presentations quickly and easily from anywhere.

### MileIQ for iOS & Android - Free

MileIQ uses smart drive-detection technology to automatically log your drives and calculate their value. You get the reimbursement or deduction you deserve with a minimum amount of effort.

### RPR Mobile for iOS & Android

RPR Mobile™ is a property research app exclusively for REALTORS®. Easily search properties, create and send branded reports, and view local market statistics, anytime, anyplace.

### MLS-Touch for iOS & Android

Quickly access all active, pending, and sold listings from your MLS, along with photos, property description, private remarks, listing agent info, listing date, commission, showing instruction, and quick access to your contacts.
